2017 Sponsorship Opportunities

Team Sponsor: \$1,000

Player Sponsor: \$700

Booster: \$100

Fan: \$50

Every year the NY Dragons AAU program is one of the most competitive organizations on the east coast. Our season runs from March through August with our student athletes and coaches committing hundreds of hours to school, community service, practice, and tournaments. This takes hard work, effort, and resources. The large majority of our program's funding continues to be generated from the student athletes, their parents, and the support and generosity in the Orange and Ulster county community.

As our players work hard this season on the court and in the classroom, we respectfully request your financial assistance as we continue our efforts in providing our student athletes the most rewarding experience possible. Additionally, the contributions we receive will also allow us to cover the costs of new uniforms and other items including travel costs and equipment and are tax deductible. Most importantly, your generous donation will provide our players and coaches with the support needed to develop strong, disciplined young athletes of character and integrity. We are trying to raise \$15,000 to help pay for all expenses for the players. Checks can be made payable to Elite Academy and mailed to 1213 Dolsontown Road, Middletown, NY 10940.

Lastly, every cent of every dollar that is raised goes towards the kids.

NY Dragons organization and coaches do not get paid.

They do this for the love of the kids, the love of the game, and the love of the community.

We hope we can count on your support.

Sincerely,

Everton Browne
Vice President / Elite Academy
